Curriculum Outline

The languages department is in the process of implementing a series of changes to the curriculum.

- Pupils who joined us in September 2021 or after will now sit their GCSE examinations at the end of year 10. Our chosen exam board for this cohort is AQA.
- Pupils who joined us in September 2022 of after will be working towards the new GCSE specification for first examination in 2026. This will also involve a change of exam board to Edexcel.

Languages and Literacy

- Most of our pupils in year 7 and 8 receive 8 hours of languages lessons per fortnight.
- Some of our pupils receive a split of 4 hours of language and 4 hours of literacy support lessons based on pupil need.
- A small number of pupils receive 3 hours of languages and 5 hours of literacy lessons to support their literacy needs.
- Our schemes of work are designed so that all pupils are covering the same topic at the same time and broadly the same grammatical concepts with those at 8 hours studying them to greater depth.
- Below is the outline of the topics covered. Topics are revisited as part of the learning journey from KS3 to KS4 with developing complexity. If you would like more information about the specific content of a topic your child is studying, please contact their class teacher.
